

Big Brothers Big Sisters of The Bridge

# CHANGE

How Children In  
Your Community  
Grow

Now is your chance to strengthen your community. Our Children Need Us More Than Ever.

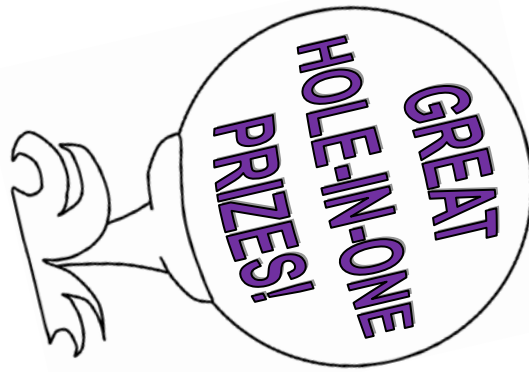

For more than 100 years, Big Brothers Big Sisters has operated under the belief that every child has the ability to succeed and thrive. They are the nation's largest donor and volunteer supported mentoring network, making meaningful, monitored matches between adult volunteers and children in communities across the country. They develop positive relationships that have a direct and lasting effect on young lives.

Big Brothers Big Sisters of the Bridge began in Luzerne County in 1974. Since that time services have been offered in Wyoming, Columbia, Monroe, and Carbon Counties in Northeastern Pennsylvania. Annually, the program matches over 500 youth in a variety of services.

Their mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

Their vision is that all children achieve success in life by helping them attain higher aspirations, greater confidence, better relationships, educational success and avoiding risky behaviors.

**How Your Contribution Helps**

Big Brothers Big Sisters receives more than half of its operating income from private donations. The program's success depends on contributions that it receives from individuals, corporations, and foundations.

Big Brothers Big Sisters of the Bridge serves hundreds of children in Northeast Pennsylvania, however there are so many more that are still waiting for a Big Brother or Big Sister. Your donation will help them to recruit, screen, train and match Big Brothers and Big Sisters with the children that are on the waiting list. They are dedicated to matching as many children as they can.

The generosity of individuals like you will allow them to match more children in the community.

Thank you for your support.
